The Solaria Universe Publication Order

READING ORDER · NERDZ.CLOUD/READING

The order the Twisted Sisters released everything, dated from the first ebook editions — so you watch the series grow the way early fans did, crossovers and Easter eggs landing as they were written. It's a reread order: it puts Shadow Princess (Jan 2020) before Ruthless Boys 3–5, which spoils how Ruthless Boys ends, so on a first read use the main path. Three bonus stories first appeared in charity anthologies and a limited paperback before being collected in Live and Let Lionel.

■ ZODIAC ACADEMY ■ RUTHLESS BOYS OF THE ZODIAC ■ DARKMORE PENITENTIARY ■ SINS OF THE ZODIAC ■ NOVELLAS & BONUS STORIES
