

Breeds Chronological Reading Order

The Breeds books were published out of story order across multiple publishers, with Feline, Wolf and Coyote arcs originally numbered as separate series — which is why every numbering on the covers disagrees. This list is the author's own chronological order, novellas and anthology stories slotted where they belong. Colour shows which arc each entry leans on.

■ FELINE BREEDS ■ WOLF BREEDS ■ COYOTE BREEDS

- ☐ Tempting the Beast
- ☐ The Man Within
