

The Iron Fey Reading Order

The Iron Fey runs as three arcs with novellas tucked between the original books: Winter's Passage bridges The Iron King and The Iron Daughter, Summer's Crossing sets up The Iron Knight, and Iron's Prophecy hands the story to the next generation. Call of the Forgotten follows Meghan's brother Ethan, and Evenfall — which assumes you've read both earlier arcs — closes the saga.

■ THE IRON FEY ■ CALL OF THE FORGOTTEN ■ EVENFALL ■ NOVELLAS
